

## RESTAURANT POWER RANKINGS

# Grub Street's Restaurant Power Rankings: Dizengoff, Olmsted, Günter Seeger, and More

Welcome to Grub Street's weekly survey of the most-talked-about, must-visit restaurants in New York City. The list below features spots both new and old ranked according to one important, ever-fluctuating (and admittedly subjective) metric: Who has the most buzz? Perhaps a famed chef has taken over the kitchen, or there's a new dish you absolutely must order. Maybe the restaurant is just brand-new, or the critics are raving about it. Whatever the reasons, these are the hottest restaurants in New York right now.

## 2. **Sauvage** (New this week)

The **Maison Premiere** team has expanded with this brand-new French-ish spot in Greenpoint. Expect leek terrines, spring-pea salads, pig-head confit for two, and — of course — lots of cocktails.
